Alexandrov, the Dream Town• Main features

Alexandrov is a prosperous town located near Moscow, the capital of Russia. The town is one of the best places for tourists, since it provides everyone with various exciting activities.

• Places of interest.

In Alexandrov there are many places that are worth visiting: over ten historical museums and a temple of an ancient civilization. The most exciting place of interest is the Museum of Modern Technology, where visitors can see an actual time machine and try it themselves!

• Travelling

In Alexandrov one can travel without a vehicle. Over 30 bus stops have been replaced by teleportation devices.

• Eating.

For visitors who are eager to try some delicacies, there are fifteen restaurants in Alexandrov. Qualified chefs cook various gourmet dishes, and catering is performed by intelligent robots.

• Work

Most residents of Alexandrov work in the Technology Research Centre. Each employee determines their work schedule themselves, gets a free pass to the gym and permanent access to the lounge zone.

• Studying.

For those who crave knowledge, there is the University of Computational Linguistics in Alexandrov. Studying includes an integrated course of foreign languages and programming, working in groups and using software to check progress.
